Customer Service Visits

- Your MRM will ask about current promotions, the stores' relationship with the vendors, if there are any opportunities that needs NTBA assistance, and contact vendors while at the store to expedite a resolution to any issues that might exist.
- The NTBA Member Relations Manager will survey the store (inside, outside, signage frames, cold vault, displays etc.) and give direction when required on proper POS placement and installation. In order to provide you with the best customer service, the NTBA Member Relations Manager will also take pictures for record keeping and referral.
- The NTBA Member Relations Manager will always identify opportunities and bring those to the attention of store personnel as a friendly observation. (ex. If the coolers are frozen up, the notification will be made so the store can take necessary actions and prevent the compressors from failing)
- The NTBA Member Relations Manager will visit stores for proactive and reactive calls for various reasons.

*Your **Member Relations Manager** is there to help you identify opportunities that can lead to increased profitability and efficiency improvement in your stores.*
